ABOUT US

At Emilio Nares Foundation (ENF), we believe no family should face their child's life-threatening illness alone.

Through our continuum of care, we provide essential support, including one-on-one support, guiding each family through their unique journey with personalized care. We also offer no-cost medical transportation, hospital-approved snacks, financial assistance, and post-treatment emotional healing.

OUR MISSION

We help families navigate the challenges of their child's journey with cancer and other life-threatening illnesses.

LET'S CELEBRATE AND SUPPORT MORE FAMILIES

Join us this September for Harvest for Hope, a powerful evening of food, wine, and community dedicated to raising awareness during Childhood Cancer Awareness Month. This special event supports the mission of the Emilio Nares Foundation, helping families navigate the overwhelming journey with dignity and care.

By attending, you're not just enjoying an incredible culinary experience, you're standing with families in their most vulnerable moments, ensuring they receive the transportation, support, and resources they need every step of the way.

Together, we can turn awareness into action and hope into healing.

WHY SPONSOR HARVEST FOR HOPE?

Harvest for Hope attracts over **300 engaged attendees**, including influential donors, corporate leaders, elected officials, and families served. With **over 20 top culinary and wine partners**, and **extensive media exposure** through TV, print, and social media, your brand will shine in the heart of San Diego's philanthropic and culinary community.
